

2009 Teen Masters National Finalist Corporate Partnership Form

Mastering Sport — Mastering Life

For thirteen years, the Teen Masters has prepared America's teenagers for the challenges of life through the sport of bowling. Today's economy is presenting an immediate challenge to the families of teens who aspire to compete for their share of over \$100,000 in college scholarships and the title of best teenage bowler in the USA: Affording the expenses associated with competing in the 2009 national championships.

The Teen Masters invites your company to showcase its community commitment and social responsibility by partnering with an athlete in the 2009 Teen Masters. For a fee of only \$500, your company will be recognized as the Corporate Partner of one national finalist and receive the following benefits:

- Website Listing & Link**
Your company name and/or corporate logo will be listed on the event page of TeenMastersBowling.com and linked to your corporate website.
- Corporate Partner Wall of Fame**
Special 10' x 12' screens will display the names and/or logos of our Corporate Partners throughout the national championships.
- Souvenir Program Listing**
Each Corporate Partner will be listed in a special section of the keepsake souvenir program.
- Scholarship Contribution**
Your partnership fee will reduce the designated family's hotel and event expenses by \$500 and will result in \$250 being added to the pool of national scholarship awards! *Your company may make additional contributions and designate them as state (only athletes from your state will compete for the added scholarships) or national scholarship awards available to all finalists.*

Help an athlete reach for their dreams by joining us as a National Finalist Corporate Partner today!
